The town of Udipi being next in importance to Mangalore, the Taluk Board considers that a dispensary is quite essential here and as such it has resolved to address Government to open one at an early date. Vide - Taluk Board Resolution No. 183/23-9-1922 herein enclosed. I therefore request that the ------ Government ~~may~~ may be pleased to open a Veterinary ---- dispensary at Udipi at an early date.

Subject - Veterinary Hospital Udipi.

C.No. 2787 III/22.

To under Secy

The Taluk Board, Udipi, S. Kanara, requests that a veterinary hospital may be opened at the place

The places already selected for the location of dispensaries have not been granted owing to financial difficulties. Requests from Kaup, Nadigudda, Dharmapuram and etc have had to be suspended. Udipi is not in the circumstances likely to get a dispensary until after 1924-25. For orders whether the taluk board may be informed accordingly & the Ch. Engr. enclosed are both the two enclosures

Vice Chief Supt may be consulted

In this office D.O. No 7779 A of 17.10.22 I have submitted a revised list of 12 places for Sch. institutions to be opened in 1923-24 & 1924-25. Ulhapur is included in the latter year & I dont consider it should be given preference over any of those listed for 1923-24

The case may be perused & returned to Dev. Dept U.O.

There appears to be no objection to the Dev. dept itself informing the local board about the matter. The letter in the current file is addressed to the Dev. Dept. & L.S.G. is not directly concerned with the opening of veterinary institutions.
